SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

SAN LUIS **HOT SULPHUR SPRINGS**

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic character of the water, which make alcohol particularly injurious if assimilated at the same time. All desire to drink whiskey can be cured by drinking this water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. *Address* **SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.**

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. *Address* **SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.**

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

Send for descriptive literature.
Special low rate round trip ticket.
THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. SAN LUIS HOT SULPHUR SPRINGS
THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.
Rates per week, $10, $11, $12, $14.

SAN LUIS **HOT SULPHUR SPRINGS**

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.
Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS
THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.
Rates per week, $10, $11, $12, $14.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14.
Send for descriptive literature.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent. of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS **HOT SULPHUR SPRINGS**

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after drinking the water for two or three weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory.

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket. *Address* SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.

SAN LUIS HOT SULPHUR SPRINGS

Rates per week, $10, $11, $12, $14. Send for descriptive literature. Special low rate round trip ticket.

THE water thoroughly purifies the system, eradicating all effects of liquor, which must be strictly avoided, owing to the antagonistic chemical principles of the water, which make alcohol particularly injurious if assimilated at the same time. All desire for stimulants is lost after one or two weeks. Sixty-five per cent of such cases are permanently cured. Mention S. F. Directory. Address SAN LUIS HOT SULPHUR SPRING, San Luis Obispo, Cal.
